All NEIM Intermediate and Senior Band Students and their families

In an effort to keep costs down for families in NEIM, we will be going with the same carpooling system as in the past for our Canada's Wonderland Music Festival trip which is scheduled for **Tuesday June 4, 2019**. Kids travelling with adults that aren't family members will be asked to pay \$5 to the driver for gas. These carpooling arrangements will be worked out between the parents of the kids attending the festival. Drivers must fill out a DSBN Driver form before the event. Forms will be made available to parents wishing to drive before the event date by the child's teacher or through the NEIM office. We still have a couple of buses ordered for people who would rather have their children travel by bus for an additional \$23. These buses will be leaving from and arriving back at the DSBN office building 191 Carlton St., St. Catharines. The buses will depart from the DSBN office building between 8:30am and 8:45am and should return between 7:15pm and 7:30pm.

## Remember to bring:

- Instrument and music. (Stands are not needed)
- Casual dress is suggested. Students should wear clothing appropriate for weather conditions, **but should wear red or white T-shirts for the concerts (NEIM shirts if possible)**.
- Any required medication. (Please speak to instructor beforehand re: any health issues.)
- Extra dry clothes for the drive home.

**The Band will be performing in the Kingswood Music Theatre.** Our performance are between **2:00 – 2:45 pm**. Students will meet 15 minutes before to get ready and will stay to hear both of our groups (orchestra and band) For the rest of the day, students will be free to enjoy the facilities, provided they abide by the following rules:

- Students must be in groups of 3 or more. There will be many parents in attendance at the park, but an adult may not necessarily be with students at all times throughout the day.
- Good behaviour is expected. Unacceptable conduct will result in students being sent back to wait on the bus until departure at the end of the day.

**COST: \$32 per student/adult** (\$32 all-inclusive park admission + \$23 bus). Parents are encouraged to join us at the \$32 ticket price. Parents who drive may bring NEIM student siblings (sorry, not friends) at the \$32 admission price. Parents are responsible for any/all additional guests. Last year we were able to email tickets to people driving on their own and assume the same will be available for this year

**IMPORTANT NOTE:** *Unless students have a signed letter from their parent, and the situation has been discussed with the music instructor, students who arrived by bus are not permitted to travel home with a friend in his/her family vehicle.*
